Claims of North Atlantic Trading Company.

AUDIT OFFICE, OTTAWA, December 10, 1907.

SIR,—I am in receipt of your application of the 6th instant, for the issue of a payment in favour of the Bank of Montreal, for letter of credit cheques issued by your department during the month of November, 1907. On examination of the cheque lists I find that immigration cheque No. 1322 was issued on November 29 in favour of the North Atlantic Trading Company, for \$36,901.50, in final settlement of their claim. Before passing your application I would be pleased to have the vouchers in support of this payment.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. FRASER, A.G.

AUDIT OFFICE, OTTAWA, December 14, 1907.

SIR,—With further reference to my letter of the 10th instant, I beg to say that I am now in receipt of the papers in connection with the payment by immigration cheque No. 1322, of \$36,901.50 to the North Atlantic Trading Company. Upon examination I find that this amount was arrived at by a revision of the steamship manifests for the years 1901-2, 1902-3 and 1903-4, and of the balances for the period between July 1, 1905, and November 30, 1906. The revision shows that for the three years ending June 30, 1904, 7,518 names have been added to the original payment, while deductions are made for 824 names of emigrants coming into the United States and for 1,040 persons allowed under the original payment who are now found to have been improperly paid for. You will please inform me as to your reasons for re-opening these accounts and adding thereto a large number of names, and why so many names were allowed upon the original settlements and are now deducted.

When making a final payment upon such a large contract as this was, the vouchers covering the final settlements should have been forwarded to this office and an application made for the issue of a bill of exchange in favour of the company.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. FRASER, A.G.

INTERIOR DEPT., OTTAWA, December 21, 1907.

SIR,—Referring to your letter dated the 14th instant, respecting a revision of the steamship manifests for the years 1901-2, 1902-3, and 1903-4, as a result of which 5,654 persons were added to the list of names on whom bonus is paid to the North Atlantic Trading Company, I beg to say that the reasons for opening the account for past years and adding and deducting names were as follows:—

1. In the spring of 1905 the Canadian representative of the company requested permission to examine a number of the manifests which contained the names of continental immigrants. These manifests had just been brought from the ocean ports to head office. Prior to that date the custom was to leave the manifests at the ports where passengers had landed and have the Dominion immigration agents make up the reports and send them to Ottawa. The agent of the company, having a list of the names of persons on whom bonus had already been allowed, compared this with the information contained on the manifests, with the result that a good many discrepancies were found. He then asked for permission to go over the three preceding fiscal years and to give him an officer of the department to check the work done. Inasmuch as the company was not in a position to send in any claim on the basis of the arrivals, not having any copy of the names of all the immigrants, and the accounts having to be made up by the officers of the government, it was considered only fair to give the company every reasonable means of satisfying themselves that the government of Canada would allow them bonus on all immigrants on whom it was really due.

2. As noted in your letter of the above date, 1,040 persons, allowed under the original payment, were found to have been improperly paid for, and names to the number of 7,518 were found which should have been allowed according to the terms of the contract as interpreted. The errors necessitating this revision were not discovered until May or June, 1905, and it was some months later before the revision was completed and the statements compiled.

It was just about this time that the contract was cancelled, and as it was desired to close the matter out finally, payment of bonus on the additional names added to the accounts was made.

The company might have laid claim to bonus on all Russian Jews, described on the manifests as agriculturists, but it was decided that in the final settlement, all Jews whose names were added in the revision, and also Jews arriving after the fiscal year 1904-5, should be struck off the accounts.

3. The only explanation regarding so many discrepancies appearing in the original accounts for these years, is carelessness at some of the ocean ports by officers of this department.

I am, sir, your obedient servant,

The Auditor General.

W. W. CORY, D.M. I.

Re Royalty on Coal Mined.

AUDIT OFFICE, OTTAWA, December 2, 1907.

SIR,—I wrote you February 11 last, in reference to arrears due on coal mined on June 30, 1905, and inquiring if no royalties accrued during 1905-6.

In your reply of April 11 last you gave the reason why these arrears had not been pressed, and stated that, as it had been decided to collect the royalty, the companies in arrears had been written to, and their accounts rendered; and that they had been asked for a return, covering the period between the date of their last return and the present time.

I have to inquire if the arrears due June 30, 1905, have been paid, the amount of royalty since accrued, and the payments made thereon.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. FRASER, A.G.

INTERIOR DEPT., OTTAWA, December 13, 1907.

SIR,—I beg to acknowledge the receipt of your letter of the 2nd instant, asking whether the arrears of royalty on coal mined which were due on June 30, 1905, have been paid, the amount of royalty since accrued, and the payments made thereon. In reply I am to inform you that the position is the same as that outlined in the departmental letter to you of April 11 last, excepting that returns have been received from The Canada West Coal Company, showing that 80,000 tons of coal have been mined on their lands, the royalty on which amounts to \$8,000. Payment of this amount has not yet been made. Returns are also being received from the West Canadian Collieries, Limited.

SESSIONAL PAPER No. 1

Payment has not yet been made of all of the arrears due on June 30, 1905, and until returns have been furnished showing the quantities of coal mined it is impossible to state definitely as to what amount of royalty has since accrued. The advisability of having an inspector visit the several mines and obtain the returns now in arrears is under consideration.

I am, sir, your obedient servant,

The Auditor General.

P. G. KEYES, *Secretary.*

AUDIT OFFICE, OTTAWA, August 10, 1905.

SIR,—On December 2 last, I wrote you on the subject of royalty on coal mined, and in your reply thereto dated December 13, you stated that 'the advisability of having an inspector visit the several mines and obtain the returns now in arrears, is under consideration.'

I should be glad to know what action was taken, if any, in the premises.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. FRASER, *A.G.*

INTERIOR DEPT., OTTAWA, August 19, 1905.

SIR,—In reply to your letter of the 10th instant, I beg to inform you that an inspector was sent out by this department in February last, and as a result of his inspection returns have been received, showing the quantities of coal mined on lands disposed of subject to the payment of royalty, up to about the close of last year.

Owing to the large initial expenditure incurred by the several companies in acquiring the land, opening up the mines, and installing the necessary equipment, some of them have been unable as yet to pay the arrears of royalty, but I am to point out that the regulations under which these lands were disposed of provide that default in payment of royalty may be followed by cancellation of the sale, and provision is also made in the patent issued for such lands that the minister may declare such patent to be null and void for default in the payment of royalty on the quantity of coal mined.

I am, sir, your obedient servant,

The Auditor General.

P. G. KEYES, *Secretary.*

Re Short Collection on Timber Permit at Yorkton.

AUDIT OFFICE, OTTAWA, November 29, 1907.

SIR,—The Crown timber agent at Yorkton issued timber permit No. 104063 to D. A. Larson, Norquay, on May 10 last, to cut 1,400 lineal feet building logs, at 1 cent per foot, extended to \$1.40 plus fee 25 cents = \$1.65, whereas it should have been 1,400 at 1 cent = \$14 plus fee 25 cents = \$14.25, short collected \$12.60.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. FRASER, *A.G.*

INTERIOR DEPT., OTTAWA, December 11, 1907.

SIR,—Referring to your letter of the 29th ultimo, in regard to a shortage amounting to \$12.60 in connection with timber permit No. 104063, issued to Mr. D. A. Larson on May 10 last, by the Crown timber agent at Yorkton, I am directed to say that the agent's attention has been called to the matter and he has been asked to explain how the shortage was accounted for. When the agent's report has been received you will be further advised.

I am, sir, your obedient servant,

The Auditor General.

P. G. KEYES, *Secretary*.

AUDIT OFFICE, OTTAWA, August 10, 1908.

SIR,—I wrote you on November 29 last, with reference to a short collection on timber permit No. 104063 at the Yorkton agency, and you replied on December 11, that the agent's attention had been called to it and that you would further advise this office.

Please let me know if the shortage has been collected, and if so, when it came to account.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. FRASER, *A.G.*

INTERIOR DEPT., OTTAWA, August 20, 1908.

SIR,—I am directed to acknowledge the receipt of your letter of the 10th instant with respect to a short collection on timber permit No. 104063, issued by the Crown timber agent at Yorkton to Mr. D. A. Larson. On January 25 last the Crown timber agent at Yorkton was instructed to have the homestead inspector call upon Mr. Larson to collect the shortage, and in the event of his refusing to make payment to place the timber cut under seizure. Up to the present time no communication in the matter has been received from our agent, but he is now being advised to give the matter his immediate attention.

I am, sir, your obedient servant,

The Auditor General.

Re Canadian North West Irrigation Company.

AUDIT OFFICE, OTTAWA, April 30, 1908.

SIR,—On January 13 last the Alberta Railway and Irrigation Company made a payment to the Patent Branch, of \$99,780.60 on account of certain lands as described in the order in council of December 12, 1902.

Upon reference to this O. C. it is found that these lands were to be sold on certain conditions to the Canadian Northwest Irrigation Company.

The first condition was that the company make a deposit of \$25,000 forthwith as an evidence of good faith.

The second that the company begin the survey during the season of 1903, and expend not less than \$150,000 within three years from this date, on the enlargement and extension of the company's system, including surveys.

SESSIONAL PAPER No. 1

I have to inquire first if the deposit of \$25,000 was made by the company, and if so, when and to what account was it credited; second, has the company furnished a plan of the survey made, together with a statement of the expenditures in connection with the enlargement and extension of its system; third, did the Canadian Northwest Irrigation Company assign or transfer its rights and privileges to the Alberta Railway and Irrigation Company; if so, when and under what authority?

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. FRASER, A.G.

INTERIOR DEPT., OTTAWA, June 4, 1903.

SIR,—Referring to your letter of April 30 last, in which you inquire as to whether the conditions of the sale of lands to the Canadian Northwest Irrigation Company have been fulfilled, and by what authority this company assigned or transferred their rights to the Alberta Railway and Irrigation Company, I beg to state as follows:—

A deposit of \$25,000 was, I understand, made by the Canadian Northwest Irrigation Company on January 30, 1903. This was in the form of a deposit receipt on the Bank of Montreal, endorsed by the company to the order of the Minister of the Interior. It is still held by the department and has not been credited to any account.

The company have furnished a plan of survey and statements of expenditure in connection with the enlargement and extension of their system, and such statements have been audited by the proper officers of this department.

The Alberta Railway and Irrigation Company was incorporated by authority of chapter 43, 4th Edward VII, (June 6, 1904), and the Act provided for the amalgamation therewith of the 'Alberta Railway and Coal Company,' 'The Canadian Northwest Irrigation Company,' and 'The St. Mary's River Railway Company.'

For convenience of reference I inclose herewith a copy of the order in council of December 12, 1902, authorizing the sale of these lands to the Canadian Northwest Irrigation Company, and also copy of chapter 43, 4th Edward VII, referred to.

I am, sir, your obedient servant,

The Auditor General.

W. W. CORY, D.M. I.

AUDIT OFFICE, OTTAWA, November 26, 1903.

SIR,—In your letter of June 4 last, in reply to mine of April 30, you stated that the Canadian Northwest Irrigation Company, in accordance with the terms of sale, had forwarded a deposit receipt of the Bank of Montreal for \$25,000, endorsed by the company to the order of the Minister of the Interior, and that the receipt was still held by the department.

You do not state why this amount was not deposited in the usual course to the credit of the Receiver General. If it still remains in the department I beg to submit that it should be deposited.

I shall be glad to hear from you in reference thereto.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. FRASER, A.G.

Re Edmonton Office.

AUDIT OFFICE, OTTAWA, February 25, 1908.

SIR,—I have to call your attention to the reports of the inspection of the Dominion lands office at Edmonton, one inspection having been made by Mr. Leach, September 18, 1907, and the other by Mr. Stephenson, January 21, 1908.

Mr. Leach complains of duplicate deposit receipts missing and of cases where no receipts were issued to parties making payment.

Mr. Stephenson reports that he found a drawer filled with remittances, applications for homestead entry, and permits, which had not been entered up. He reports that two men called at the office while he was there, complaining that they had received no receipts for the fees on homestead entries made a month previous, of which no entry had been made. The excuse given was that the accountant had not the time to take care of the cash.

Mr. Stephenson reports that he arranged the work to be done by the accountant, and that he, the accountant, was satisfied that he would be able to cover the work outlined for him, the principal of which was taking care of the cash.

It is satisfactory to know that affairs at this office have been arranged. I assume that you have satisfied yourself that the work at the other offices, especially in reference to the cash, is not transacted so loosely.

This is the first report from Mr. Stephenson that has been furnished to this office for some time. It is desirable that reports of all inspections made by him should be furnished.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. FRASER, A.G.

AUDIT OFFICE, OTTAWA, May 19, 1908.

SIR,—I beg to call your attention to the fact that the return of the Crown timber agent at Edmonton for February, has not been received.

I wrote you on the 4th instant that while the bank accounts of all the other agencies had been received up to and including March, Edmonton was short February and March.

I should be glad to have an explanation of the delay.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. FRASER, A.G.

INTERIOR DEPT., OTTAWA, May 23, 1908.

SIR,—In reference to your letters of the 19th instant relating to the Edmonton agency returns, I beg to inform you that the Crown timber statement for February was received too late in the department to be included in the return for that month. The items will, therefore, appear in the statement for the month of March, which will go through in the course of a few days.

With regard to the bank accounts for February and March, I am to state that a few days prior to the receipt of your letter, a telegram was sent to the agent at Edmonton, requesting him to send these two statements without delay. The matter will receive prompt attention as soon as they are received in the department.

I am, sir, your obedient servant,

The Auditor General.

J. A. COTE, *Act. D.M. I.*

AUDIT OFFICE, OTTAWA, July 30, 1908.

SIR,—The bank accounts and cheques of the Dominion lands agent at Edmonton for the months of February and March last, have not been received. They should have been here months ago. I may state that the bank accounts of many of your agents have been received up to and including June 30, 1908.

In view of the unsatisfactory report made by Inspector Stephenson, under date of February 22, 1908, with reference to the cash transactions of the Edmonton agency, I have to request that you will cause these accounts to be sent forward with all possible despatch, in order that an examination of them may be made.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. FRASER, A.G.

AUDIT OFFICE, OTTAWA, December 10, 1908.

SIR,—The bank accounts of the Edmonton agency for the seven months ended July 31 last, were recently received at this office. They are so complicated and unsatisfactory that it is difficult to come to any conclusion in respect thereto.

The returns for January, February and March cover the cheques issued and the deposits made. The manager of the bank certifies that the balance shown by each of these returns is on hand. This certificate is useless, because the bank balance should cover the balance shown on the return plus the outstanding cheques.

The returns for April, May and June are run together and cover only the cheques paid and the deposits made; in other words, this combined return is really a copy of the bank account. But this return is unreliable as it contains deposits amounting to \$2,153.74 entered on the March return, and is not certified by the manager of the bank.

The return for June closes with a balance of \$2,892.90, and the return for July commences with a balance of \$430.43.

According to the returns, the actual deposits made during the seven months amounted to \$50,007.24, but we have no means of verifying that.

The counterfoils of the cheques issued have been furnished to this office, and a statement made up from them amounts to \$50,605.32. The cheques paid and furnished amount to \$49,671.20, leaving \$934.12 cheques outstanding. This agrees with the statement furnished from the Edmonton office and may be considered correct. You will observe that the cheques issued amount to more than the deposits made by \$598.08.

A statement is furnished showing items in suspense amounting to \$327.36.

Among the cheques paid and included in the amount above stated (\$49,671.20) is one for \$3,368.91, dated June 30, and this cheque is not entered on the returns.

To reach any accurate knowledge of the condition of this account it is necessary to have a statement prepared by the bank, of all the deposits made and all the cheques paid, commencing on January 1. It seems to me you should request the bank to furnish such a statement, made up to the 1st instant, and that a similar statement should be forwarded direct to your department at the close of each month in future.

I may add that all the banks having accounts with any of your agents should furnish monthly statements direct to your department, and each agent should furnish a statement of the cheques issued and deposits made. You would then be able to exercise a close supervision of the accounts.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. FRASER, A.G.

INTERIOR DEPT., OTTAWA, January 15, 1909.

SIR,—I am directed to acknowledge receipt of your letters of the 10th and 11th ultimo, with reference to the unsatisfactory manner in which the Edmonton bank statements for the seven months ended July 31 last were prepared.

I inclose herein a complete copy of the bank ledger received from the manager of the Imperial Bank, Edmonton, from January 1 to August 31, 1908. The return has been carefully compared with the monthly statements received from the Dominion lands office, and it is found that a deposit of \$970.19 was made in the trust account on July 31, 1908, but was not entered in the July return sent to the department by the land agent.

On August 31, 1908, the bank manager shows a credit balance of.	\$3,801 42
Deduct from this amount cheque No. 912 issued to cover July revenue.	2,660 49
	<hr/>
	\$1,140 93
Add deposit of August 1 to cover balance of July revenue.	119 80
	<hr/>
Balance July 31, 1908.	\$1,260 73

The above balance agrees with the amount shown in the agent's bank statement for July, 1908, which was sent to your office in September last, and adjusts the Edmonton Dominion lands trust account to July 31, 1908. The returns for August, September, October and November were found to be in order and were forwarded to your office some time ago.

In order to further safeguard the revenue, the bank managers with whom the land agents deposit the receipts of their offices have been requested to furnish the department with a complete copy of the Dominion lands trust account monthly, together with all paid cheques.

In future the land agents will render a certified statement, signed by the agent and the accountant, showing on the debit side all the cheques issued, and on the credit side all deposits made.

The agent at Edmonton has been instructed to render the bank account statements promptly each month in future.

I am, sir, your obedient servant,

The Auditor General.

P. G. KEYES, *Secretary*.

AUDIT OFFICE, OTTAWA, December 11, 1908.

SIR.—The inclosed statement shows the transfers made from the collector's bank account to the Receiver General's account during the seven months ended July 31.

Commencing with March, these transfers were not made for days after the close of the period covered. At first the delay was only 7 days, but later it reached 20. Presumably, the agent was making good the collections of one week with the collections made subsequently. No doubt these accounts are promptly and closely examined in your department. How do you account for this objectionable practice being allowed to continue for four months? I need not impress on you the necessity of prompt action to stop such practices. It is the best, and in fact, the only way of preventing serious defalcations.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. FRASER, *A.G.*

SESSIONAL PAPER No. 1

AUDIT OFFICE, OTTAWA, December 11, 1908.

SIR,—Upon examination of the paid cheques of the Edmonton agent's trust account, issued between January 1 and July 31 last, it is found that seventy-three cheques were made payable to bearer, amounting to \$251.10, and the only endorsement thereon is that of the agent.

I beg to call your attention to the order in council of June 27, 1888, section 4, which reads as follows:—

‘That all cheques be drawn in the form: “Pay to the order of ;” and not in either of the forms: “Pay to or bearer,” or “Pay to or order.”’

Please instruct the agent accordingly.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. FRASER, *A.G.*

INTERIOR DEPT., OTTAWA, January 15, 1909.

SIR,—Referring to your letters of the 11th and 18th ultimo, with reference to the agent at Edmonton issuing trust account cheques payable to bearer, I beg to inclose a copy of a letter dated the 31st ultimo, from the land agent, explaining his action in the matter. I also inclose a copy of a letter which has to-day been sent to the agent in this connection.

I am, sir, your obedient servant,

The Auditor General.

P. G. KEYES, *Secretary.*

INTERIOR DEPT., EDMONTON, December 31, 1908.

SIR,—Referring to your letter of the 22nd inst., reference No. 1559589, I beg to inform you that it has been the custom in this office when a cheque was returned by the post office authorities ‘not called for,’ and could not be delivered to the person in whose favour it was drawn, to change the word ‘order’ to ‘bearer,’ and deposit the cheque to the credit of the payee in the bank. Also in cases where a cheque had been made out, and it was found upon reconsideration that the money might be applied, an entry was made in the cash book, crediting the payee with the amount, and the cheque changed to read ‘payable to bearer,’ and deposited to the trust account in the bank. All other cheques are made payable to order, in fact all cheques are made payable to order, unless it is necessary to deposit them to the trust account in the bank. I beg to suggest that in cases of this kind the particulars of the case be endorsed on the back of the cheque under the agent's signature, and beg to request you to advise me if this will be satisfactory to the Auditor General.

I am, sir, your obedient servant,

The Secretary, Dep. of the Interior.

K. W. MacKENZIE, *A. D.L.*

INTERIOR DEPT., OTTAWA, January 15, 1909.

SIR,—I beg to acknowledge the receipt of your letter of the 31st ultimo, explaining your action in changing certain trust account cheques to read payable to bearer instead of ‘to the order of.’

8-9 EDWARD VII., A. 1909

In future when it is found necessary to deposit cheques to the credit of the bank account, be good enough to enter the full particulars on the back of the cheques, and see that they are endorsed by yourself and the accountant of your office. The banks in Ottawa accept cheques so endorsed, and no doubt the manager of the Imperial Bank, when the circumstances are explained to him, will do the same. In no case in future should a government cheque be changed to read payable to bearer.

I am, sir, your obedient servant,

P. G. KEYES, *Secretary.*

K. W. MacKenzie, Esq., Agent of Dom. Lands, Edmonton, Alta.

Re Crown Timber Inspector's Reports.

AUDIT OFFICE, OTTAWA, June 12, 1908.

SIR,—I have received recently reports of inspections made by Inspector Stephenson, of the Crown timber agencies of Prince Albert and Yorkton, relating only to the cash transactions.

With reference to Prince Albert the inspector says in part 'this office should be given an experienced bookkeeper to take care of the cash and to keep the accounts of the lumbermen. The timber end of the office business has never been efficiently dealt with, and as it has now assumed large proportions a capable man should be placed in charge who would give it his whole attention.'

With reference to the Yorkton agency, he reports certain seizures of lumber cut in trespass, representing 2,000,000 feet b.m., upon which the dues remaining unpaid amount to \$6,983.01.

Please let me know if any action has been taken in reference to these matters.

I beg to request that you will furnish this office with the reports of Inspector Stephenson covering the inspections of the various agencies from the first of April, 1907, to the present time, relating to royalties, seizures, &c., and that he be instructed to furnish such reports in addition to the cash reports in the future.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

Re Land Sale—Saskatchewan Valley Land Company.

AUDIT OFFICE, OTTAWA, May 1, 1908.

SIR,—An order in council was passed on May 24, 1902, authorizing the sale of certain lands therein described, to Messrs. A. D. Davidson, G. F. Piper, A. L. Warner, George C. Howe, D. H. McDonald and A. J. Adamson, at \$1 per acre, not to exceed 250,000 acres.

Messrs. Davidson, *et al*, I believe, formed a company known as the Saskatchewan Valley Land Company.

The purchasers were to deposit with the government the sum of \$50,000 as security, this amount to be retained by the government until all the lands have been earned, then to be applied in payment of the last 50,000 acres of land.

It is found upon reference to the above quoted O. C. that the arrangement should extend over a period of five years from that date. As the time limit has expired, I have to inquire if the purchasers have completed the undertaking.

SESSIONAL PAPER No. 1

I should be glad to have a statement showing the lands earned and granted to the purchasers, the number of settlers placed by them upon the lands so granted, and the date and application of all payments, including the security deposit made by them relating to this sale.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. FRASER, A.G.

INTERIOR DEPT., OTTAWA, May 21, 1908.

SIR,—In the absence of Mr. Cory, I beg to acknowledge the receipt of your letter to him of the 1st instant, with reference to the sale of certain lands to the Saskatchewan Valley Land Company, and inclose herewith, for your information, a copy of the memorandum which has been made to me on the subject by the official of the department who has charge of such matters, with copies of the statements mentioned therein. I trust this information will be satisfactory.

I am, sir, your obedient servant,

The Auditor General.

J. A. COTE, *Act. D.M. I.*

LANDS PATENTS BRANCH, OTTAWA, May 15, 1908.

Memorandum.

I beg to return the Auditor General's letter of the 1st instant, respecting the sale of 250,000 acres of land to the Saskatchewan Valley Land Company, Limited, which has been referred to me for report, and to attach hereto the statement asked for by him:—

1. Statement showing date and application of all payments, including the security deposit made by the Saskatchewan Valley Land Company, Limited.

2. Statement of lands granted the company under the terms of the order in council of May 24, 1902.

3. Statement showing the number of settlers placed by the company upon lands within the townships in which the lands earned and granted to the company are situate (1,682)).

In this connection I beg to submit for your perusal the memorandum of the 11th instant, attached to file herewith, addressed to me by Mr. Geo. Gibson, in this matter, in which, among other things, he explains that in the letter from the company of April 24, 1907, inclosing \$29,380.81 cash, and \$24,240 scrip, it is stated that 'should there be any difference in the amount on account of accrued interest, if you will kindly advise us we will at once pay in any balance that may be due.' According to the view taken by the department there was still a balance due of \$7,875.19 on account of a difference in accrued interest, the account for which was rendered and paid on April 23, 1908.

The Acting Deputy Minister of the Interior.

Re Agents' Bank Accounts.

AUDIT OFFICE, OTTAWA, May 4, 1908.

SIR,—On January the first, of this year, a new system of bank accounts and cheques was inaugurated throughout the Dominion lands agencies. The accounts for January, February and March have been received with the exception of the Edmonton agency for February and March.

It is found that the agents at Brandon and Estevan use the official cheque only to make refunds of amounts that cannot be accepted, and the bank cheque is used for the purpose of withdrawing from the trust account sums to be placed to the credit of the Receiver General. The official cheque should be used for both purposes.

The counterfoils of the cheques do not bear the name of the agency upon which they were drawn, and I beg to suggest that the agents be instructed to place an imprint of the office stamp thereon, in the future.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. FRASER, A.G.

INTERIOR DEPT., OTTAWA, May 6, 1908.

SIR,—I am directed to acknowledge the receipt of your letter of the 4th instant, with reference to the new system of bank accounts and cheques now in force throughout the Dominion lands agencies. In reply, I am to inform you that a circular letter has been addressed to all the agents requesting them to insert the date stamp of their office on the coupons of the cheques issued. The agents at Brandon and Estevan have also been instructed to use the official cheques when transferring the revenue of their offices from the trust account to the credit of the Receiver General.

I am, sir, your obedient servant,

The Auditor General.

P. G. KEYES, *Secretary*.

AUDIT OFFICE, OTTAWA, August 10, 1908.

SIR,—It is observed, upon examination of the trust account cheques of the Dominion lands agents at Battleford and Moosejaw, that the word 'order' is sometimes changed to read 'bearer' and in these cases the cheques are not endorsed by the payees.

The executive regulations require all cheques to be made 'payable to the order of.'

So far as I am aware, no other voucher is executed in connection with the refunds of moneys which cannot be accepted for the purpose for which payments were intended. If such is the case, I should deem it prudent to have the endorsements of the parties entitled to refunds.

I am, sir, your obedient servant,

The Deputy Minister of the Interior.

J. FRASER, A.G.

Re Yukon Local Revenue, Salaries and Travel, Territorial.

AUDIT OFFICE, OTTAWA, September 16, 1908.

SIR,—I find that Mr. G. H. Acres and Mr. Zera Strong were both paid for services rendered as sanitary inspector for the month of October. Mr. Acres' October cheque was mailed to Ottawa. Please explain.

On April 13, 1908, Commissioner Henderson received an advance of \$300 on account of expenses to Whitehorse. No statement of expenses in connection therewith has been received.

SESSIONAL PAPER No. 1

Mr. A. Watson was paid \$265 travelling expenses to Whitehorse and return, inspecting road-houses, from January 22 to March 23, and \$95.05 expenses on a trip of inspection of liquor licenses, Stewart river, from May 22 to June 6. He was also paid \$600 salary as correspondence clerk from July 1 to June 30. I have to inquire if he was paid for his services in the Gold Commissioner's office during the period of his absence from Dawson on these inspection trips.

I am, sir, your obedient servant,

The Comptroller, Dawson, Y.T.

J. FRASER, A.G.

COMPTROLLER'S OFFICE, DAWSON, Y.T., October 3, 1908.

SIR,—I beg to acknowledge the receipt of your letter of the 16th ult., *re* salary and travelling expenses, local revenues, Yukon Territory.

In explanation of the salary paid Mr. G. H. Acres for October, I beg to inform you that Mr. Acres was appointed territorial sanitary inspector on August 1, 1905; he served in that capacity until September, 1907, during which period he had not had any leave of absence, and as he was resigning and leaving the Territory, he was allowed one month's salary. Mr. Zera Strong was appointed in his stead from October first.

Referring to the advance made to Commissioner Henderson on April 13, from local revenue account, I beg to advise you that this advance should have been made from the letter of credit account, Department of the Interior, but there were no funds available at that time in that account. He was, therefore, given an advance from the local revenues. He will make a statement of this expenditure and the matter will be adjusted in a few days.

Regarding the sum of \$265 paid to Mr. A. Watson for travelling expenses inspecting road-houses from Dawson to Whitehorse, I beg to inform you that the Yukon Council at its session in 1907 passed an ordinance respecting road-houses in the Yukon Territory, providing for fire-escapes and generally dealing with the materials used for papering, &c., and the stove-pipes, having in view the safety of the travelling public. To put this ordinance into effect, the Commissioner deputed Mr. A. Watson to make an inspection of each road-house on the winter trail, giving them a reasonable time to comply with its provisions. Mr. Watson was going to Winnipeg, having been granted special leave of absence by the Commissioner, and it was considered advisable to utilize his services for the purpose of this inspection.

The inspection of the road-houses on the Stewart river was made by Mr. Watson. He accompanied Mr. A. J. Beaudette, the mining engineer, who went to make inquiries into certain mining matters in that part of the Territory. It was necessary to return by small boat and the two officials going together avoided the necessity of paying the hire of boatmen.

Mr. Watson received no remuneration for his services in either case, his actual travelling expenses only being paid. He was paid his salary as correspondence clerk during these inspection trips, his work being performed by one of the clerks in the Gold Commissioner's office.

I am, sir, your obedient servant,

The Auditor General.

J. T. LITHGOW, *Comptroller*.

COMPTROLLER'S OFFICE, DAWSON, Y.T., October 16, 1908.

SIR,—Referring further to your letter of September 16, in reference to an advance made to Commissioner Henderson on April 13, from local revenue account, of \$300. I beg to advise you that he has made a return showing his expenditure to be \$130.50;

and as this advance should have been made from the Department of Interior letter of credit account, I have to-day refunded to the local revenues of the Yukon Territory the sum of \$300 advanced in April, which will appear under general receipt No. 2643, dated October 15; and have issued a cheque from the Department of Interior account, No. 9122, to cover the amount of his expenses, \$130.50.

I am, sir, your obedient servant,

The Auditor General.

J. T. LITHGOW, *Comptroller*.

Re Yukon Local Revenues, Miscellaneous—Territorial.

AUDIT OFFICE, OTTAWA, September 15, 1908.

SIR,—Cheque No. 5040 was issued to Thos. H. Hinton for \$500, as recommended by the Committee of Public Accounts, in payment for services rendered to the government of the Yukon Territory, acting as paymaster in the disbursement of road expenditures in the Mayo district, and for the relief of indigents, &c.

The account does not give any details as to the time he was employed in that capacity. I have to inquire if Mr. Hinton was also employed by the Dominion government as mining inspector at Duncan creek during the same period?

I am, sir, your obedient servant,

The Comptroller, Dawson, Y.T.

J. FRASER, *A.G.*

COMPTROLLER'S OFFICE, DAWSON, Y.T., October 2, 1908.

SIR,—I beg to acknowledge the receipt of your letter of the 15th ult., regarding a payment made to Mr. T. H. Hinton, under cheque No. 5040, local revenues, for services rendered to the local government of the Yukon Territory.

Mr. Hinton was employed as mining inspector by the Dominion government during the period referred to.

Duncan district is about 210 miles from Dawson, and there is no post office or postmaster in the district. Mr. Hinton has, therefore, acted as agent for the local government for some years past. There has been a considerable sum of money expended on the construction of roads in that district; on all occasions Mr. Hinton has acted as paymaster in the payment of wages of the men employed. He had two different sums of \$10,000 placed to his credit for this purpose, the cheques being countersigned by myself, after being compared with the pay-sheets. He also looks after the storage of materials used in connection with the government roads, and in the early spring, before the opening of navigation, has discretion to make small expenditures for the necessary repairs to roads, bridges, &c. He further looked after the pumps which were purchased by the local government, the use of which was given to certain miners on Duncan creek. Mr. Hinton petitioned the Yukon Council at its session in August, 1907, for some remuneration for these services; the petition was referred to the Committee on Public Accounts, and they recommended that he be granted the sum of \$500 for all services rendered up to August 19, 1907.

The report of the committee was unanimously adopted by the Council. I beg to inclose the journals of the Yukon Council, session, 1907, and would refer you to pages 39 and 40 as marked.

I may say that Mr. Hinton acts for the government in looking after the sick and destitute Indians in that part of the Territory without remuneration.

I am, sir, your obedient servant,

The Auditor General.

J. T. LITHGOW, *Comptroller*.

SESSIONAL PAPER No. 1

Re Yukon Local Revenue.

AUDIT OFFICE, OTTAWA, May 15, 1908.

SIR,—I have to call your attention to the following appropriations for the 12 months ending June 30 next, which it is found were over-expended on March 31 last, viz.: Roads, bridges, &c., vote \$143,785, expenditure to March 31, \$152,790.01, less refunds, &c., \$656.05, leaving a net overdraft of \$8,348.96.

Street lighting Dawson City, vote \$2,500, expenditure to March 31, \$2,542.50, overdraft \$42.50. I find that the accounts rendered for lighting are only up to February 29.

I am, sir, your obedient servant,

The Actg. Comptroller, Dawson, Y.T.

J. FRASER, A.G.

COMPTROLLER'S OFFICE, DAWSON, Y.T., June 17, 1908.

SIR,—Referring to your letter of May 15, *re* over-expenditure for roads and bridges, I beg to advise you that it has always been understood, in making this appropriation, that it would be an elastic one, and, if the Commissioner finds that the revenue is likely to be more than the estimate, he may over-expend this appropriation should the necessity arise.

There will be a slight overdraft in street lighting, Dawson City. These over-expenditures will be provided for by ordinance. A supplementary vote will be passed for the year ending June 30, 1908.

I am, sir, your obedient servant,

The Auditor General.

J. T. LITHGOW. *Comptroller.*

AUDIT OFFICE, OTTAWA, December 31, 1907.

SIR,—Cheque No. 4701 was issued to the City of Dawson on July 3 last, for \$20,954.80, for debit balance at the Canadian Bank of Commerce, on June 30, 1907.

I do not find that any provision was made in the ordinances of the Yukon Territory, 1907, for this payment.

Please let me know under what authority it was paid.

I am, sir, your obedient servant,

The Comptroller, Dawson, Y.T.

J. FRASER, A.G.

COMPTROLLER'S OFFICE, DAWSON, Y.T., January 21, 1908.

SIR,—I beg to acknowledge the receipt of your letter of December 31, *re* cheque No. 4701, which was issued to the City of Dawson on July 3 last, for \$20,954.80, for debit balance at the Canadian Bank of Commerce, on June 30, 1907.

You state that there is no provision in the ordinances of the Yukon Territory for 1907 for this payment, and request to know under what authority the payment was made.

I beg to inform you that when the Territorial government was organized, in 1898, the affairs of the City of Dawson were administered as part of the Territory. Some time later there was a certain agitation for the incorporation of the City of Dawson

and a plebiscite was taken during the latter part of the year 1901, the majority of the people being in favour of incorporation. A charter was granted the city and the affairs were managed by a mayor and board of aldermen until October 1, 1904. It was found that the charges of the management under the city were so expensive that the citizens petitioned the Commissioner in Council to have the city charter rescinded. A plebiscite was accordingly held in September, 1904, and a large majority of the rate-payers voted in favour of the city charter being revoked and the affairs of the city managed by the Yukon Council. Under an ordinance which was passed in August, 1904, 'an ordinance to provide for a plebiscite respecting the Dawson City charter,' being chapter 16, of 1904, it was provided that in the event of the majority of the rate-payers being favourable to the rescinding of the Dawson City charter then the powers enjoyed by the mayor and corporation should be vested in the Commissioner of the Yukon Territory.

The city offices were closed up in September, 1904, and the work in connection with the city was transferred to the Administration Building. It was considered necessary to keep a separate set of books, and the services of the accountant who had been employed by the city were retained, as well as those of the assessor and tax collector. At that time, the city was indebted to the Canadian Bank of Commerce, \$61,840.18, and it was considered advisable to reduce this amount by civic taxation.

As the business of the city was falling off, it was thought best to dispense with the services of the city bookkeeper and to transfer the whole accounts to the government of the Yukon Territory, keeping only one set of books. The balance having been reduced, some \$40,000 was transferred to the local government account; but it is the intention to keep the affairs of the Territory and the city in two groups, as will be shown by the balance sheet of December 31, inclosed, and to gradually wipe out this indebtedness from the taxes collected by the city. When the matter was presented to the Yukon Council at its last session, this scheme was agreed to and approved of, although no ordinance was passed; and if, in the opinion of the legal adviser, it is necessary that an ordinance should be passed, I will have one prepared and put through at the next session of the Council; but the intention was to simplify matters and curtail the expenses in connection with the keeping of accounts.

I am, sir, your obedient servant,

The Auditor General.

SESSIONAL PAPER No. 1

AUDIT OFFICE, CANADA, OTTAWA, September 22, 1908.

Re Senate Indemnity.

SIR,—Referring to your expenditure on account of Indemnity, Session of 1907-08, I have to call your attention to the following statement of differences in the absences of certain Senators, as calculated by you in payment, and the returns as made up from the official records, the Votes and Proceedings:—

	Absences as per payment.	Absences as per Votes and Proceedings.
Senator Baird.....	14 days.	19 days.
“ Comeau.....	15 “	17 “
“ Drummond.....	76 “	77 “
“ Edwards.....	18 “	20 “
“ Forget.....	65 “	66 “
“ Godbout.....	12 “	16 “
“ Mitchell.....	20 “	21 “
“ Montplaisir.....	15 “	19 “
“ Wm. McDonald.....	15 “	21 “
“ McGregor.....	17 “	20 “
“ McSweeney.....	15 “	17 “
“ Robertson.....	5 “	16 “
“ J. H. Ross.....	15 “	16 “
“ Sullivan.....	15 “	16 “
“ J. R. Thibaudeau.....	30 “	31 “

Please have these differences rectified and the amounts of the overpayments refunded as soon as possible.

I am, Sir, your obedient servant,

The Clerk of the Senate.

J. FRASER, A. G.

OTTAWA, October 1, 1908.

Re Indemnity Expenditure

SIR,—In reply to your letter of the 22nd ult., on the above subject, I would state that the Minutes of Proceedings, on which you based your calculations, cannot be relied upon as giving correct lists of Senators present on sitting days, for two reasons:—

1st. The officers charged with making up said lists will not certify to the same as being entirely correct, and 2nd., omissions also occur at the Printing Bureau.

Under the circumstances, I am, compelled to accept the sworn declarations made by the Senators themselves.

One or two, whose absence would have been within the limit, if the session had closed on the 18th, as expected, and who were paid in full, will be asked to refund.

I have the honour to be, Sir,

Your obedient servant,

SAML. E. ST. O. CHAPLEAU,

The Auditor General.

Clerk of the Senate.

AUDIT OFFICE, CANADA, OTTAWA, October 12, 1908.

Re Senate Contingencies.

SIR,—Referring to your expenditure for September, I notice a payment by cheque No. 1015 of \$1,463.22 to Charles T. Gibbs, Secretary-Treasurer Senate Restaurant, wages of head cook, second cook, waiters, waitresses and kitchen help for the restaurant for the period of time from November 28, 1907 to July 20, 1908, as per pay lists submitted.

It does not appear to me that a claim of this nature should be made a charge on the public, but is rather a liability to be met by those for whom the restaurant is maintained. If such claims can be charged to the public, where will you draw the line as regards other similar personal expenses of the Senators?

I am, Sir, your obedient servant,

E. D. SUTHERLAND,
for Auditor General.

The Clerk of the Senate.

Re Advertising Rules.

AUDIT OFFICE, August 25, 1908.

SIR,—You advertise the Rules of the Senate in the Yukon Gazette. The House of Commons does not.

For the Session of 1907 there were four insertions for which \$49.50 was paid.

For the Session of 1907-8 there were twenty-seven insertions for which \$343.75 was paid.

Seemingly the Yukon 'Morning Herald', a daily paper is also the Official Gazette, and this notice was published daily between Oct. 29 and Nov. 28.

The first insertion cost \$18.75 and each subsequent insertion \$12.25.

If it is considered necessary to publish this notice in the Yukon Gazette, it would be better to instruct an insertion but once a week.

I am, Sir, your obedient servant,

J. FRASER, A. G.

The Clerk of the Senate.

THE SENATE, OTTAWA, August 29, 1908.

SIR,—Replying to your communication of the 25th instant, on the above subject, I would state that I have reported twice on the extortion practised by some of the publishing companies without however receiving any instructions to either discontinue

SESSIONAL PAPER No. 1

the publication or reduce the number of insertions. This year I propose to reduce the publication in the Yukon Gazette to four or perhaps only two insertions.

I am, Sir, your obedient servant,

SAM'L E. ST. O. CHAPLEAU,
Clerk of the Senate.

The Auditor General.

Re fees on Private Bills.

AUDIT OFFICE, OTTAWA, August 25, 1908.

SIR,—The usual fee collected for Bills introduced in the Senate, is \$200 and \$10 for printing, translating, &c.

The minimum charge in the House of Commons is \$200 for fee and \$11.90 for printing, translating, &c. On the far greater number however, a larger fee is exacted reaching as high as \$700. The fee on one bill including printing, &c. was \$2,232.90.

I have to ask for a copy of the regulations governing the fees to be charged on bills introduced in the Senate.

I am, Sir, your obedient servant,

J. FRASER, A. G.

The Clerk of the Senate.

THE SENATE, OTTAWA, August 29, 1908.

SIR,—In answer to your inquiry of the 25th instant, on the above subject, I herein inclose a copy of the Rules of the Senate, in which you will find the information you seek under Rules 114 and 140.

I have the honour to be, Sir, your obedient servant,

SAM'L E. ST.-O. CHAPLEAU,
Clerk of the Senate.

The Auditor General.

AUDIT OFFICE, OTTAWA, September 4, 1908.

SIR,—I have received your letter of the 29th inclosing copy of Rules and Orders of the Senate.

These rules only provide for a fee of \$200 on each bill whereas in the House of Commons larger fees are under certain contingencies exacted.

Would it not be desirable that the same rules shall prevail in both Houses?

I am, Sir, your obedient servant,

J. FRASER, A. G.

The Clerk of the Senate.
